PUBLIC LIABILITY INSURANCE COVER - RISK WARNING FORM

Tri State Games Inc. has arranged for extended Public Liability cover for this years event on the following conditions:

1. That a Risk Warning be included on the athlete registration forms.
2. That all Team Managers ensure that their athletes are aware of all risk associated for each sport in which they compete during the Games.

To comply with these requirements, we need **all Team Managers** to sign the following statement and return it with your team's registration forms.

No registrations will be accepted without receipt of this Risk Warning Form.

It is anticipated that each Team Manager will ensure that the potential risks of personal injury are explained in an appropriate manner to each competitor and / or their guardian, when discussing their event choices.

Athlete Entry Cards now have a checkbox that needs to be agreed to by the Team, Individual Athletes and Team Manager prior to them being forwarded to the Executive Committee.

Please note:

No team will be able to compete in any event for which we do not receive this signed Risk Warning Form.
